

## THINGS TO BRING

- 1) Every child needs at least two changes of clothes (shirt, pants, socks, underwear) that fit and are seasonably appropriate. This will be kept in the child's classroom for emergencies. Please promptly replace soiled clothing with a fresh change when necessary.
- 2) Check Snack Lists on teachers' doors and sign for one or two items.
- 3) Full Day Care children need to purchase a cot sheet from us - \$13.00. Your child will also need to bring a pillow, blanket and water-proof mattress pad. Bedding is sent home at the end of each week. There is a \$3.00 per day charge if your child does not have bedding at nap time.
- 4) Children enrolled in our two/three year old class who are not yet potty-trained must keep an ample supply of pull-ups and wipes in their hygiene cubby. Children who are not consistently dry during nap-time need a one month supply of pull-ups in their cubby to be brought in on the first of each month.
- 5) Children who are registered for full day care will need to purchase a bedding bag for \$13.00.
- 6) Every child needs to purchase a Trinity Lutheran Preschool T-shirt to be worn on Field Trips (or any other occasion.) T-shirts cost \$14.00 per child. Sweatshirts with the school name and logo are available for \$16.00.
- 7) Each of our classrooms provides subscriptions for each child to Scholastic's "*Let's Find Out*" magazine (pre-K) and "*Clifford The Big Red Dog*" magazine (three year olds). The fee for each child is \$6.00.

## EARTHQUAKE KITS

Please bring your earthquake kit on the first day of school. All children must have one here.

**Packaging:** Fit everything into a one-gallon zip lock bag.  
Plan the size of your purchases accordingly.  
Purchase nothing that requires a can opener.  
Purchase nothing in glass containers.  
Please label the zip lock bag.

**Purchases:** Four cans or packages of drinks, fruit juice, etc.  
Three containers of protein, sausage, spam, peanut butter, etc.  
Six snack foods, granola bars, beef sticks, cans of fruit, pudding. No chocolate, it will melt. Use pop top cans or pull open packages only.

**Optional:** Note to child and picture of the family for reassurance.

Watch expiration dates and be certain all are past August 2009.  
Select only foods your child will actually eat.
